PROFILE

Computer Science Engineering student specializing in Full Stack Development and AI/ML. Experienced in building real-world applications with modern web technologies, secure backend systems, and AI integration.

EXPERIENCE

- | | |
|--------------|---|
| 2026–Present | Co-Founder & Full Stack Developer
GEOFACE - AI AUTHENTICATION STARTUP
University funded startup focused on replacing traditional attendance systems using AI and geofencing. <ul style="list-style-type: none">• Built facial recognition verification using OpenCV.• Developed liveness detection against spoof attacks.• Implemented GPS based attendance authentication.• Designed backend APIs and database architecture. |
|--------------|---|

PROJECTS

- | | |
|--------------|---|
| 2025–Present | Stocky - AI Trading Intelligence Platform
FULL STACK DEVELOPER
Built a market intelligence platform combining financial data, analytics, automation and AI assistance. <ul style="list-style-type: none">• Developed real-time trading dashboard.• Created fundamental, technical, options and portfolio analysis modules.• Integrated broker API workflows and secure authentication systems.• Built scalable backend data architecture. Tech: React, Node.js, Express, PostgreSQL, Redis, APIs |
| 2026 | GeoFace Faculty Authentication System
AI powered attendance platform using face recognition, liveness detection and geofencing.
Tech: Flutter, Flask, OpenCV, PostgreSQL, Docker, JWT |

EDUCATION

- | | |
|-----------|---|
| 2024–2028 | B.Tech Computer Science Engineering
Lovely Professional University
CGPA: 8.4 |
| 2024 | Higher Secondary Education
GOHSS Perumpudiyoor Pattambi
Kerala State Board - 84% |
| 2022 | Secondary Education
PHSS Paruthur
Kerala State Board - 98% |

TECHNICAL SKILLS

Languages: Java, Python, C++, JavaScript, SQL
Frontend: React, HTML, CSS, Tailwind CSS
Backend: Node.js, Express.js, Flask, REST APIs
Database/Tools: MongoDB, PostgreSQL, Redis, Docker, Git
AI/ML: Pandas, ML Algorithms, OpenCV

CERTIFICATES

- | | |
|------|---|
| 2025 | Programming Using C++ - Infosys Springboard |
| 2025 | Introduction to AI & Machine Learning |
| 2025 | C Programming - CSE Pathshala |

VOLUNTEERING

Cyber Awareness Volunteer

Conducted cyber safety and responsible social media awareness sessions for school students with NGO collaboration.
